	1. On the specifications sheet item #1, it states in line item C. that the form shall be printed on a KONICA MINOLTA BIZHUB C4065 printed and folded and stuffed in an envelope for mailing using a PITNEY BOWES F700 INSERTER. Can you please clarify if this means that TN will be printing on this type of printer and mailing out the forms? Or does this mean that the awardee needs to print the forms on this specific type of printer and will be responsible for mailing of the forms?	TN is responsible for printing on the forms with the equipment described and mailing them out.
	2. What is the delivery date?	See update to Specification VIII.A. <ul style="list-style-type: none"><li>• Delivery date for the 2028 decals is November 1, 2024.</li><li>• Delivery date for the 2027 decals is March 1, 2025.</li></ul>
