

SWC# 119 - Acadis Software and Support

Contract Information and Usage Instructions

Summary/Background Information: This contract is used to purchase Acadis software, annual software assurance, and professional services. Acadis software is a solution that allows agencies to implement a statewide system to track the training history of emergency responders and emergency managers on one consolidated system. Acadis software can also be used to provide a web-based portal for viewing and registering for public safety courses. Envisage holds the exclusive right to sell all Acadis software, annual software assurance, and professional services. Acadis was designed specifically to service public safety organizations. Envisage is not permitted to host State data through the use of this contract.
