What is a Community of Practice?

Groups of people who **share a concern** or a passion for something they do and **learn how to do it better** as they **interact regularly**.

Étienne Wenger

Purpose of the CoP

- **Educate** by collecting and sharing information – from experts as well as from peers
- **Support** by organizing peer-to-peer interactions and collaboration
- **Cultivate** by assisting groups to start and sustain their learning
- **Encourage** by promoting the work of members through discussion and sharing
- **Integrate** by encouraging members to use their new knowledge for real change in their own work
