

TENNESSEE DEPARTMENT OF HEALTH (TDH) Public Health Reporting Registration Training

For more information, contact the Partner Engagement Coordinator

The Trading Partner Registration (TPR) system manages active engagement statuses, and generates emails and letters as proof of public health reporting for registered users. The Tennessee Department of Health (TDH) onboarding process for public health reporting begins when a potential trading partner registers in TPR and expresses their intent to exchange data electronically with any of the 4 public health reporting options listed below:

- Cancer Case Reporting (**eligible professionals only**)
- Electronic Lab Reporting
- Immunization Registry Reporting
- Syndromic Surveillance Messaging (**hospitals w/emergency room**)

Additional public health reporting not include in incentive programs:

- Drug Overdose Reporting (**hospitals only**)

TPR Registration Webinars are scheduled for the following dates and times:

- Wednesday, February 20th, 11:30 AM-12:30 PM Central Time
- Friday, March 1st, 10:00 AM-11:00 AM Central Time
- Monday, March 18th, 9:00 AM-10:00 AM Central Time
- Thursday, April 4th, 11:00 AM-12:00 PM Central Time

During the Webinar TDH staff will share registration instructions and help you with the registration for your organization if time is available. To receive the TPR webinar details, you **must** complete the online registration form found at <https://www.tn.gov/content/tn/health/calendar.training.html>. If the requested date/time is available, you will receive an email invitation with the webinar phone number and link. If you do not receive an email within 3-4 days after registration, send an email to the TDH Partner Engagement Coordinator at MU.Health@tn.gov. You may also, contact the Partner Engagement Coordinator for additional training options or for training questions.
