## Rape Prevention Education Community- and Societal-Level Strategies and Health Equity Project Narrative (maximum of 3 pages)

Applicants are required to write a narrative addressing the topics below. When writing your narrative, please use the headings in bold in the same order they are listed below.

Describe how sexual violence impacts your region, county, city, or zip code based upon the social determinant of health. Include data and statistics.

Describe your experience in using qualitative and quantitative data to implement sexual violence programming.

Describe your experience in organizing and utilizing community coalitions that address sexual violence prevention. Include community coalition's goals, type of community partners, number of community partners, and initiatives implemented.

Describe your experience in working with the Rape Prevention Education (RPE) Program.

Describe your experience in implementing evidence-based community- and societal-level strategies in sexual violence with fidelity. Prevention programs may include but are not limited to Shifting Boundaries, Safe Bar, and Green Dot.

Describe your experience in providing community trainings to community partners and members on sexual violence prevention. Include types of trainings, the type of audience, and feedback on training.

Describe your organization's capacity and experience of the staff that will be involved with the project. Include information about any certifications staff hold.

Describe the organization's experience in serving priority populations in sexual violence.

Describe your organization's experience in evaluating community- and societal-level strategies in sexual violence.

Describe how you would organize and recruit community partners and members to participate in surveys, listening sessions, focus group, and community forums. Describe how you plan to provide feedback to community partners and utilize the knowledge gained in addressing sexual violence.

Describe how you would create and sustain a community coalition that addresses sexual violence.

Describe the plan for sustainability beyond the funding period through alternate sources of funding or a change in organizational systems or procedures that will sustain the project's impact.

**Project Goals/Activities/Timeline/Outcomes Template.** Projects should include goals and activities related to evaluation of TDH Rape Prevention Education. Please be as specific as possible with goals and activities. Add additional goals as needed. Goals should include educating the community about sexual violence and health equity, organizing community coalitions on sexual violence, and implementing community- and societal- level strategies.
