

POLICY
SUPERVISION OF OCCUPATIONAL THERAPY DOCTORAL STUDENT
CLINICAL FIELDWORK

Concerning the clinical supervision of occupational therapy doctoral students in Tennessee, a licensed occupational therapist is not required for supervision of doctoral students in Level I fieldwork placements. However, supervision by a licensed occupational therapist of doctoral students in Level II fieldwork placements is required, pursuant to the Accreditation Council for Occupational Therapy Education (ACOTE).

Adopted by the Tennessee Board of Occupational Therapy on this 16th day of July, 2009.

Amended by the Tennessee Board of Occupational Therapy on this 11th day of March, 2010.
