Starting College or TCAT Soon?

Are you a Vocational Rehabilitation (VR) student starting college or attending Tennessee College of Applied Technology (TCAT) in the fall?

Do you have questions or concerns about beginning your new adventure?

If you answered yes to these questions, attend this free meeting hosted by the VR Program at the Tennessee Department of Human Services (TDHS). The Division of Rehabilitation Services and its VR program at TDHS specialize in helping Tennesseans with disabilities achieve education and employment success.
