

Psychiatric Technician

Join our dedicated team in providing compassionate care in a psychiatric hospital setting. We offer a variety of roles with opportunities to make a positive impact on our patients' lives.

Direct Care Positions:

You will be responsible for providing daily living care, individualized teaching, group teaching, and supervised medical assistance to our patients.

Support Roles:

These roles include unit coordinators and admissions clerks with responsibilities such as entering and editing patient information in our database, ordering medical and office supplies, explaining admission procedures, taking vital signs, and collecting necessary information from patients upon admission. You will also assist with other clerical or patient care tasks as needed.

Work Schedule:

Our team members may be scheduled to work days, evenings, nights, weekends, and/or holidays, ensuring continuous care and support for our patients.

Education: High school diploma or equivalent

Pay: Hiring Rate of \$3,250.00 monthly/\$39,000.00 yearly

Benefits: Health insurance, Dental insurance, Vision insurance, 401(k), Life Insurance, Public Service Loan Forgiveness (PSLF), and MORE!

Join us and contribute to a supportive and nurturing environment where your efforts truly make a difference.
