

Better Health Starts Here

Support when you need it most.

Sometimes making lifestyle changes can be tough, even when you know those changes may lead to a better version of you. But when you have personal support, coaching and digital tools to help, those changes may be a little easier to make.

We're partnering with Teladoc Health® to offer a **diabetes prevention program** that includes all that support and more. Your employer now offers this program at no cost to you and other family members on your plan to help you live a healthy lifestyle. You just need to be 18 or older and meet certain qualifications.

Once you enroll, you'll get:

- › **Advanced Tracking Technology:** Get a free smart scale that automatically syncs to an easy-to-use mobile app. You can also sync your personal activity device to the app so you can track your weight and activity in one place.
- › **Guidance:** Learn how to take simple but powerful steps to lose weight, gain energy, sleep better and more.
- › **Unlimited One-on-One Coaching:** Get personalized advice on nutrition, meal plans, weight loss and more to stay motivated.

To see if you qualify for Teladoc's program, log in to your **bcbst.com** account. Choose **Managing Your Health**, then **Diabetes Prevention Program**. Or call **1-800-835-2362** if you have questions. Be sure to have your Member ID card nearby.
