Instructions: Agricultural Purposes Claim for Refund

Tenn. Code Ann. § 67-3-411 provides that any person using taxable gasoline for agricultural purposes on which the gasoline tax has been paid shall be entitled to a refund of the gasoline tax except \$.01 per gallon, but there shall be no refund of the \$.01 per gallon special privilege tax or the \$.004 per gallon environmental assurance fee. Each purchase must be for 50 or more gallons to be claimed for refund. The minimum amount that may be claimed is \$25.

Agricultural purposes is defined as operating tractors or other farm equipment used exclusively, whether for hire or not, in plowing, planting, harvesting, raising, or processing of farm products at a farm, nursery or greenhouse, or operating farm irrigation systems. In order to qualify, such vehicles or equipment must not be operated on the public highways of this state.

Claims for refund of gasoline tax used for agricultural purposes may be filed either annually or semi-annually. Annual claims for the previous calendar year may be filed January 1 – April 15 of the following year. Semi-annual claims may be filed during the following periods:

- for a claim period of January through June, the claim may be filed July 1 – October 15 of that same year, or
- for a claim period of July through December, the claim may be filed January 1 – April 15 of the following year.

The claim for refund must contain all required information and must be accompanied by copies of all purchase invoices of gasoline included in the claim listed in Schedule A. You must sign the claim form in the appropriate space. Incomplete or improperly completed claims will be returned without action and could result in denial of the claim.

Instructions

- Line 1: Enter your complete name and the date that you completed and filed the claim.
- Line 2: Enter your farm, nursery, or other location address.
- Line 3: Enter your mailing address.
- Line 4: Enter your account number, your federal identification or social security number, and a beginning date for the claim period.
- Line 5: Enter the amount of gasoline tax claimed for this refund and an ending date for the claim period.
- Line 6: Enter the name and address of your fuel supplier.
- Line 7: Check the box to indicate if the gasoline is for your own use.
- Line 8: Enter your Agricultural Sales and Use Tax Exemption Certificate number.
- Line 9: Enter the storage capacity of the agricultural storage tank.

Gasoline Tax Refund

- Line 10: Enter the total gallons from Schedule A included in the claim. Each purchase must be for 50 or more gallons to be claimed for refund. On Schedule A, enter the invoice date, invoice number, and number of gallons of gasoline purchased. Attach copies of the invoices listed in the schedule.
- Line 11: Enter the number of gallons of gasoline purchased that were used in licensed vehicles on public roads or highways.
- Line 12: Enter the number of gallons of gasoline used for agricultural purposes. Complete Schedule B or attach an equipment list.
- Line 13: Multiply the total gallons of gasoline on Line 12 by the tax rate per gallon.
