DIRECTIONS FOR COMPLETION OF GOVERNMENTAL CLAIM FOR REFUND

GENERAL INFORMATION

Section 67-3-413 provides that a licensed wholesaler who has paid any taxes and fees due under 67-3-201, 67-3-202, 67-3-203, and 67-3-204, may apply for a refund of taxes or fees paid on any petroleum products subsequently sold free of tax to a governmental agency holding an exemption permit issued by the Commissioner. A licensed supplier or importer may claim a credit on the distributor report for any taxes or fees paid on any petroleum products sold free of tax to a governmental agency, or may in the alternative file for a refund.

For sales of petroleum products made to governmental agencies from retail stations, the licensed wholesaler, supplier or importer may apply for refund or claim a credit on behalf of a retail vendor.

An application for refund or credit shall be filed with the Commissioner, on forms prescribed by the Commissioner, on or before the last day of the second month following the month in which the exempt sales were made. All sales in any month on which a refund is due shall be included in one (1) application for refund. **One omnibus claim may be filed after January 1 and before July 1 for any exempt sales made during the previous calendar year for which a claim has not been made.**

The account number blank on the front of the claim is generated by the Tennessee Department of Revenue. If you have filed a previous Governmental Sales Claim for Refund and know the correct number, you may use it. Otherwise, leave this field blank.

Applications for refund or credit shall contain all information as required by the Commissioner. In addition, all applications must be accompanied by copies of all invoices for sales on which the licensee is applying for refund or claiming a credit. The invoices submitted with any such application shall each contain the exemption permit number for the governmental agency to which the sales were made. The Commissioner may allow computer documentation instead of invoices.
