
Data Review Policy 2.600

The Background:

Chapter 715 of the Public Acts of 2018 requires the Department of Education to develop, and the State Board of Education to adopt, a policy establishing a review period for LEAs to review and verify accountability data files and determinations before data files and determinations are released publicly by the Department. This item proposes the creation of a new Data Review Policy to meet the requirements of the new law.

The Fiscal Analysis Impact:

T.C.A. § 49-1-212 requires that the Department prepare a fiscal analysis of any policy, rule, or regulation proposed to the State Board of Education. This item has no financial impact on an LEA.

The Recommendation:

The Department of Education recommends acceptance of this item on first reading. The SBE staff concurs with this recommendation.
