

Learning Centered Leadership Policy 5.101

The Background:

In October 2014, the State Board approved a new Educator Preparation Policy 5.504. The new Educator Preparation policy outlines requirements related to the approval of entities that prepare educators who will be recommended for a Tennessee educator license and specifically outlines the requirements for annual reports. This item proposes to repeal the Learning Centered Leadership Policy 5.101 as the items in this policy have been combined with the Educator Preparation Policy 5.504 and in a new Tennessee Instructional Leadership Standards Policy. Repealing this policy will help streamline and clarify the educator preparation work.

There have been no changes since first reading.

The Fiscal Analysis Impact:

T.C.A. § 49-1-212 requires that the Department prepare a fiscal analysis of any policy, rule, or regulation proposed to the State Board of Education. This item has no financial impact on an LEA.

The Recommendation:

The Department of Education recommends approval of this item on final reading. The SBE staff concurs with this recommendation.
