
Local Education Agency (LEA) COVID-19 Waivers

The Background:

Chapter 652 of the Public Acts of 2020 granted the Commissioner of Education the authority, upon the approval of the State Board, to waive state statutes and/or State Board rules that inhibits or hinders an LEA's ability to meet the LEA's goals or comply with the LEA's mission due solely to the outbreak of COVID-19.

In response, the Office of the General Counsel at the department worked to create an application for LEAs to request waivers for the 2019-20 and 2020-21 school years related to COVID-19. Based on feedback from LEAs before the release of the waiver application, the department, working with State Board staff, identified three of the most common areas of statute and rule from which districts would likely request waivers for the 2019-20 school year:

- T.C.A. § 49-5-409(b), which requires school districts to notify teachers within five (5) business days following the last instructional day for the school year if a teacher's contract will not be renewed for the succeeding school year.
- T.C.A. § 49-5-503(4), which states that teachers who have received evaluations demonstrating an overall performance effectiveness level of "above expectations" or "significantly above expectations" as provided in the evaluation guidelines adopted by the State Board of Education pursuant to T.C.A. § 49-1-302, during the last two (2) years of the probationary period are eligible for tenure.
- T.C.A. § 49-2-202(a)(6) and State Board rule 0520-01-02-.11 requiring every member of a local board of education to participate in annual training.

The waiver application contains boxes for LEAs to check to request a waiver from one or more of these three identified areas. The department has made the decision to waive these requirements for each LEA that requests a waiver, and this proposal seeks State Board approval for the Commissioner to waive these requirements. A list of LEAs and which of the three waivers each has requested since the State Board's last meeting is included in a spreadsheet with this item.

The waiver application also contains an open-ended section for LEAs to request waivers from other rules or statutes. These waivers are presented for board approval or denial in a separate item at this meeting.

The Recommendation:

The Department of Education recommends approval of this item on first and final reading. The State Board staff concurs with this recommendation.
