- (2) Prospective educators seeking initial licensure shall meet requirements in at least one (1) area of endorsement.
- (3) Educators may add additional endorsements to a license in accordance with the guidelines established by the Department.
- (4) When an endorsement held by an out-of-state applicant does not match the content area or grade span of an available Tennessee endorsement, the Department shall identify the most appropriate match, if possible. In some cases, if there is not an equivalent endorsement and the grade span and/or content area do not have an appropriate match, the Department may request additional evidence to demonstrate knowledge and/or experience in the content area and/or grade span covered by the available Tennessee endorsement prior to issuing a license in Tennessee.

- (7) An educator who holds a valid and active license may teach more than one (1) course or more than two (2) sections of one (1) course outside of the educator's area of endorsement if an endorsement exemption is requested by the director of schools and approved by the commissioner.
 - (a) In reviewing an initial endorsement exemption for approval, the commissioner shall consider:
 1. The educator's previous teaching experience;
 2. The educator's postsecondary coursework and degrees held; and
 3. The content and grade span of endorsements held on the educator's current license.
 - (b) Endorsement exemptions shall be valid for one (1) school year. A director of schools may request renewal of an endorsement exemption for an educator who demonstrates
