EDUCATOR LICENSURE POLICY	5.502

Policy Sections:

- I. Licensure Requirements
- II. Applying for a License
- III. Duration of a License
- IV. Licensure Renewal and Advancement
- V. Professional Development Points (PDPs)
- VI. Endorsements

I. LICENSURE REQUIREMENTS

- (1) All persons employed, or seeking to be employed, as an educator in any Tennessee public school must hold a valid educator license as prescribed by the State Board’s Educator Licensure Rule 0520-02-03 and this policy.
- (2) All educators in Tennessee shall hold one (1) of the following license types:
 - (a) The practitioner license is the initial level license issued to applicants who meet the requirements set forth in the State Board’s Educator Licensure Rule 0520-02-03. There are three (3) types of practitioner licenses: practitioner teacher license, practitioner occupational teacher license, and practitioner school services personnel license.
 - (b) The professional license is issued to educators who have met licensure expectations at the practitioner level and who meet the requirements for advancement set forth in the State Board’s Educator Licensure Rule 0520-02-03. There are three (3) types of professional licenses: professional teacher license, professional occupational teacher license, and professional school services personnel license.
 - (c) The JROTC license is issued to active or retired military personnel who seek to serve as Junior Reserve Officers’ Training Corps (JROTC) teachers.
 - (d) The license for postsecondary educators (PSE) is issued to applicants who have been a full-time or part-time college professor or instructor and who meet the requirements set forth in the State Board’s Educator Licensure Rule 0520-02-03.
 - (e) The adjunct license is issued to applicants seeking to teach no more than three (3) classes in a content area of critical shortage identified by the State Board who meet the requirements set forth in the State Board’s Educator Licensure Rule 0520-02-03.

EDUCATOR LICENSURE POLICY	5.502

- (f) The Instructional Leader License - Aspiring (ILL-A) is an optional leader license pathway and is issued to applicants that meet the requirements set forth in the State Board's Educator Licensure Rule 0520-02-03.
- (g) The Instructional Leader License (ILL) is issued to applicants who hold a bachelor's degree, have completed an instructional leadership preparation program approved by the State Board of Education or by a state other than Tennessee, and meet the additional requirements set forth in the State Board's Educator Licensure Rule 0520-02-03.
- (h) The Instructional Leader License – Professional (ILL-P) is issued to educators currently holding the ILL who meet the requirements for advancement set forth in the State Board's Educator Licensure Rule 0520-02-03.

II. APPLYING FOR A LICENSE

- (1) Each educator shall be individually responsible for securing a license, verifying its accuracy, maintaining its validity, registering it with the employing local board of education or public charter school, and meeting the requirements of T.C.A. § 49-5-101.
- (2) All applications for licensure shall be made to the Department of Education on forms furnished by the Department.
- (3) Prospective educators seeking a Tennessee educator license must, in addition to meeting the specific requirements of each endorsement area, ensure submission of the following, as appropriate, to the Department:
 - (a) Official transcripts from all postsecondary institutions attended, signed and sealed by the registrar or other appropriate official of the institution issuing the transcripts. The Department shall develop guidance for the acceptance of credits from non-regionally accredited postsecondary institutions
 - (b) A recommendation from the approved educator preparation provider (EPP), signed by the dean or other designated official of the EPP;
 - 1. For applicants who have completed an educator preparation program, the EPP must indicate that the applicant has successfully completed all required components of the program applicable at the time of completion and indicate the area(s) of endorsement for which the applicant has successfully completed requirements. Recommendations must be received within five (5) years of the date of program completion. If a candidate completed a program more than five (5) years prior to the date of the application, the candidate may attempt to secure an updated

TENNESSEE STATE BOARD OF EDUCATION	
EDUCATOR LICENSURE POLICY	5.502

recommendation from the EPP. EPPs are under no obligation to issue an updated recommendation. EPPs may elect to require qualifying scores prior to submitting a recommendation.

2. For applicants who are currently enrolled in an educator preparation program with a job-embedded clinical practice, the EPP must indicate the area(s) of endorsement for which the applicant has successfully demonstrated content knowledge. Verification of successful program completion must be submitted by the end of the validity period of the initial license.
 - (c) Qualifying scores, that are no more than five (5) years old, on all required assessments as defined in the Professional Assessments for Tennessee Educators Policy 5.105 and the timeline guidance issued by the Department. Only official score reports transmitted by the testing agency will be accepted.
 - (d) If the applicant is applying for a Tennessee license based on educator licensure in another state, the educator must provide a copy of the current, valid out-of-state license.
- (4) The Department of Education shall review all applications and supporting documentation received and shall notify applicants of any deficiencies to a submitted application.
- (5) Applicants that meet all requirements for licensure shall be issued a license with an effective date based on the date the application was submitted to the Department.
- (6) Applications for advancement of a license may be submitted as soon as criteria for advancement are met. Applications for renewal must take place during the final year of the validity period of the license. For example, if a license expires on August 31, 2020, the educator may not apply for renewal until September 1, 2019. Educators who hold an inactive license may apply to reactivate the license at any point.
- (7) Any changes to a licensed educator's name, address, or other contact information shall be updated by the educator in the educator license database (TN Compass).
- (8) Pursuant to T.C.A. § 49-5-105, the holder of a license who changes or alters the holder's license in any way, or who permits any other person to change or alter the license, commits a Class C misdemeanor and shall have such holder's license revoked.

III. DURATION OF A LICENSE

- (1) All licenses shall become valid based on the date of application submission to the Department.

TENNESSEE STATE BOARD OF EDUCATION	
EDUCATOR LICENSURE POLICY	5.502

- (2) The Department shall establish the validity period for each license type based on the effective date, provided, however:
 - (a) The validity period of the practitioner license shall be no more than four (4) years;
 - (b) The validity period of the professional license shall be no more than seven (7) years;
 - (c) The validity period of the ILL-A shall be no more than four (4) years;
 - (d) The validity period of the ILL shall be no more than four (4) years; and
 - (e) The validity period of the ILL-P shall be no more seven (7) years.

- (3) Notwithstanding paragraph (2), the validity period of a license may be extended from the date of termination of military service for the number of years, not to exceed four (4), which the holder spent in military service during the life of the license. Four (4) calendar months of military service during any school year shall be counted as a full year for purposes of extending the license. The five (5) years preceding the issuance of a teacher license, within which time academic credit must be earned, shall not be included in the number of years spent in military service.

IV. LICENSURE RENEWAL AND ADVANCEMENT

- (1) Educator licenses must be renewed during the final year of the validity period of the license. If a license is not renewed, it shall become inactive.
 - (a) A practitioner license may be renewed once prior to the end of the validity period of the first issuance of the practitioner license. To renew a practitioner first issuance license, an educator must:
 - 1. Complete an approved educator preparation program; and
 - 2. Submit passing scores on all required content and pedagogical assessments.

 - (b) To renew a practitioner occupational license, an educator must:
 - 1. Complete an approved occupational educator preparation program; and
 - 2. Submit proof of current industry certification as required by the endorsement area.

TENNESSEE STATE BOARD OF EDUCATION	
EDUCATOR LICENSURE POLICY	5.502

- (c) To renew a professional license, an educator must submit sixty (60) professional development points (PDPs) that have been accrued during the validity period of the license¹.
 - (d) To renew a professional occupational license, an educator must submit proof of current industry certification as required by the endorsement area.
- (2) To advance from a practitioner teacher license to professional teacher license, educators must:
- (a) Complete an approved educator preparation program;
 - (b) Submit passing scores on required content and literacy assessments;
 - (c) Have at least three (3) years of qualifying experience as defined by the Department; and
 - (d) Submit documentation of thirty (30) PDPs or a recommendation from the director of schools or leader of a charter school or the school's charter management organization (CMO).
- (3) To advance from a practitioner occupational license to professional occupational license, educators must:
- (a) Have three (3) years of qualifying experience as defined by the Department and submit documentation of thirty (30) PDPs or a recommendation from the director of schools or leader of a charter school or the school's CMO;
 - (b) Complete an approved educator preparation program;
 - (c) Have completed the Department's new teacher training during the first year of teaching;
 - (d) Have observed three (3) experienced teachers within the same area of endorsement and one (1) experienced teacher in a different area of endorsement;
 - (e) Have an assigned mentor teacher during the first (3) years of teaching; and
 - (f) Have current valid industry certification required by the endorsement area.

¹ Educators who hold a Speech Language Pathologist or School Audiologist endorsement on a School Services Personnel license and also hold a valid license issued by Tennessee or an out-of-state licensing Board of Communications Disorders and Sciences or hold the Certificate of Clinical Competence from the American Speech-Language-Hearing Association may use this license or certificate in lieu of PDPs for the purpose of licensure advancement or renewal.

TENNESSEE STATE BOARD OF EDUCATION	
EDUCATOR LICENSURE POLICY	5.502

- (4) To advance from a practitioner school services personnel license to a professional school services personnel license, educators must:
 - (a) Have at least three (3) years of qualifying experience as defined by the Department;
 - (b) Submit documentation of thirty (30) PDPs or a recommendation from the director of schools or leader of a charter school or the school’s CMO.

- (5) Renewal of Professional License for Administrators.
 - (a) Because administrators are expected to maintain professional development related to their role, administrators in a Tennessee Academy for School Leaders (TASL)-mandated position or serving as a Director of Schools may use this experience in lieu of submitting professional development points toward renewal of their professional teaching license. In order to qualify, individuals must hold an active administrator license (PAL, ILL-A, ILL-B, ILL, or ILL-P), be serving in either a TASL-mandated role or as a Director of Schools during the school year in which the professional license is expiring, and be current in required TASL credit hours (if applicable).

V. PROFESSIONAL DEVELOPMENT POINTS

- (1) Professional Development Points (PDPs) may be earned through:
 - (a) Professional development activities which may include, but are not limited to, state, school, or district sponsored professional activities, or professional academy, institute, seminar, or conference attendance;
 - (b) Continuing education which consists of activities provided by institutions of higher education or professional associations which do not result in academic credit leading to a degree. The educator’s certificate or transcript must indicate the number of continuing education units awarded;
 - (c) College or university coursework resulting in the awarding of credit which may be transferred or applied to a program that may result in the award of a degree. College or university coursework used for PDPs must be completed at regionally accredited institutions;
 - (d) Serving as a clinical mentor in partnership with an approved educator preparation program;

TENNESSEE STATE BOARD OF EDUCATION	
EDUCATOR LICENSURE POLICY	5.502

- (e) An educator’s Level of Overall Effectiveness (LOE) rating;
 - (f) National Board Certification; or
 - (g) An educator’s whose evaluation demonstrates an overall performance effectiveness level of “above expectations” or “significantly above expectation” if the evaluation is based on the educator’s performance while employed at a school that is on the priority list or the focus list pursuant to T.C.A. § 49-1-602.
- (2) Activities used for PDPs must be related to improving educator effectiveness by:
- (a) Developing content knowledge, pedagogical knowledge, or pedagogical content knowledge; Enhancing educator effectiveness (e.g., world language courses for those working with students for whom English is a second language, coursework that supports understanding and use of data; training to teach students who require specific behavioral or other exceptional needs in the classroom);
 - (b) Developing competency in student social and emotional health and well-being.
- (3) All PDPs earned shall be approved as follows:
- (a) Educators employed by an LEA shall have his or her PDPs approved by the director of schools or designee.
 - (b) Educators employed by a public charter school shall have his or her PDPs approved by the charter school leader or designee.
 - (c) If the educator is not employed in a Tennessee public school, appropriate documentation for all activities for which PDPs are requested shall be provided to the Department.
- (4) The educator’s LEA or public charter school shall retain documentation for each completed activity for which the educator is awarded PDPs.
- (5) PDPs may be denied for reasons including, but not limited to:
- (a) The activity is not related to improving educator effectiveness;
 - (b) The activity is conducted outside the validity period of the license;
 - (c) The activity lacks adequate documentation; or
 - (d) The educator has already received PDPs for the activity.
