
Repeal Oversight and Evaluation Policy 6.500

The Background:

State Board Policy 6.500 establishes the guidelines for the State Board's oversight and evaluation activities of the charter schools authorized by the State Board where the State Board serves as the authorizer and local educational agency (LEA). In April 2019, the Tennessee General Assembly passed Public Chapter 219 creating the Tennessee Public Charter School Commission (Commission) and transferred the State Board's authorized charter schools to the Commission effective July 1, 2021.

The Commission has approved rules and policies to govern its work as a charter school authorizer and LEA. In order to complete the transition of the State Board's authorized charter schools to the Commission in compliance with Public Chapter 219, this item proposes a repeal of State Board Policy 6.500.

The Recommendation:

State Board staff recommends acceptance of this item on first reading.
