
SBE Literacy Study Committee Meeting – May 10, 2022

The Background:

According to State Board Meeting Policy 1.400, the State Board may develop special committees, termed subcommittees, to discuss specific issues in-depth. The Literacy Study Committee was formed following extensive literacy legislation during the 2021 special legislative session.

Mr. Nate Morrow chairs this study committee, which met on May 10, 2022 and heard a number of presentations from staff at the Tennessee Department of Education as well as from leaders in Clarksville-Montgomery County Schools and researchers with the Tennessee Education Research Alliance (TERA).

Mr. Morrow will provide an oral report on the study committee meeting.

The Recommendation:

This item is for informational purposes only; no action is required.
