**Tennessee School Boards Association's (TSBA's) Fall District Meetings**

---

**The Background:**

The State Board seeks to engage with education stakeholders across Tennessee and was invited to attend the Fall District Meetings for the Tennessee School Board's Association (TSBA). TSBA hosted nine (9) meetings across the state to discuss a variety of education topics with local school board members. Several State Board members attended the meetings and heard from TSBA, school board members, and directors of schools on current issues in their respective districts.

Mr. Eby will provide an oral report on the meetings.
