An educator who has been reprimanded by the State Board of Education (“State Board”) under this Rule shall receive a letter from the State Board, which shall become part of the educator’s state record and may become part of the educator’s local record, indicating that the inappropriate conduct is discouraged and shall be subject to further disciplinary action if repeated.

0520-02-03-.09(1)(f) defines “Inappropriate Physical Contact” as unlawful and/or unjustified physical contact with a student. Examples of such inappropriate physical contact include, but are not limited to, sexual contact, physical altercations, horseplay, tickling, improper use of corporal punishment, improper restraint or isolation of a student receiving special education services, and rough housing.

0520-02-03-.09(1)(k) defines “Other Good Cause” as conduct that calls into question the fitness of an educator to hold a license including, but not limited to, violation of any provision in the Teacher Code of Ethics as contained in T.C.A. §§ 49- 5-1001, et seq.

0520-02-03-.09(3)(e) provides that the State Board of Education may revoke, suspend, formally reprimand, or refuse to issue or renew an educator’s license for inappropriate physical contact with a student.

0520-02-03-.09(3)(i) provides that the State Board of Education may revoke, suspend, formally reprimand, or refuse to issue or renew an educator’s license for Other good cause as defined in subparagraph (1)(k) of this rule.

0520-02-03-.09(5)(a)(7)(i) provides, “An individual holding an educator’s license who is found to have engaged in inappropriate physical contact with a student that does not result in harm or potential harm to the student shall be subject to a disciplinary action within the range of a formal reprimand up to and including suspension for two (2) years.”

0520-02-03-.09(5)(a)(9)(i) provides, “An individual holding an educator’s license who is found to have violated the Teacher Code of Ethics contained in T.C.A. Title 49, Chapter 5, Part 10 shall be subject to a disciplinary action within the range of a formal reprimand up to and including revocation.”

T.C.A. § 49-5-1003(b)(7) states that educators shall “make reasonable effort to protect the student from conditions harmful to learning or to health and safety.”

T.C.A. § 49-5-1003(b)(19) states that educators shall “maintain a professional approach with the student at all times.”
