

**Terry Williams
Revocation**

The Background:

Allegations: Respondent was suspended for three days without pay due to inappropriate physical contact and communication with students.

Status: Respondent was notified by certified mail of the Board's intent to revoke his educator license based upon these findings. The United States Postal Service left notice of the certified letter as there was no authorized recipient available to accept the certified letter. Respondent has failed to claim the certified letter. By refusing delivery of the certified mail, Respondent has waived his right to a hearing.

The Recommendation:

Respondent's conduct constitutes grounds for license revocation, suspension, or formal reprimand or refusal to issue or renew a license pursuant to Board Rule 0520-02-03-.09(2)(f).

The Board staff case review committee recommends revocation of Respondent's educator license.
