2015-16	78.8% of points earned	59.1 out of 75 points	3 Performance Category

HOW TO READ THIS REPORT

The Teacher Preparation Report Card contains four (4) domains: Candidate Profile, Employment, Satisfaction, and Provider Impact. Each domain is comprised of multiple metrics. To date, data has not been collected for the Satisfaction domain, so it will be unscored this year. A provider must have at least ten total completers and must generate a score on at least one half of the metrics in each domain in order to generate an overall performance category rating. For more information, please refer to the technical guide.

Providers are awarded a performance category based on their ability to successfully prepare Tennessee educators. This is calculated using the percentage of points earned across all metrics. Category 1 represents the lowest performance, and Category 4 represents the highest performance.

The 2017 Teacher Preparation Report Card will include data on three cohorts of completers (2013-14, 2014-15, and 2015-16). Performance on each metric is displayed in the format shown in the graphic on the right.

The score of **77.2** earned this EPP **1.7** of **3** possible points on this metric. This score increased **8.6** percentage points from 2016.

- ① Scores in this range are below the scored range and earn an EPP no points.
- ② This is the scored range. Scores in this range earn an EPP partial points proportionate to their score.
- ③ This range is above the target score. Values in this range earn an EPP maximum points.

Dr. Susan Benner

Completer Placement Across Tennessee

The University of Tennessee, Knoxville is a public, four-year institution of higher education in the University of Tennessee system. The University is accredited by the Southern Association of Colleges and Schools Commission on Colleges. The Graduate School of Education within the College of Education, Health, and Human Sciences provides oversight and coordination of teacher licensure programs for the University. All of our professional licensure programs are approved by the Tennessee State Department of Education and nationally accredited by the Council for Accreditation of Educator Preparation based upon NCATE standards. Although undergraduate and post-baccalaureate programs are offered in some areas, most initial licensure options are designed as five-year programs that include a content-based major, an education minor, and a year-long graduate-level full-time internship with an approved mentor teacher in one of our partnership schools.
