## March Data File Being Processed with New Changes

The new TIBRS changes detailed in previous newsletters and e-mails are effective with the March 2013 data file submissions being processed this month (April 2013).

Some noted updates include the addition of three new offenses: Human Trafficking (64A) – Commercial Sex Acts; Human Trafficking (64B) – Involuntary Servitude; and Purchasing Prostitution (40C) as well as the collection of new data for Domestic Violence, Previous Domestic Violence, and Officer Involved Shooting. Please see the detailed tables on pages 5 and 6 for specifics on the TIBRS updates effective this month. .

Agencies with questions about the TIBRS changes should contact a member of the Crime Statistics Unit for assistance.

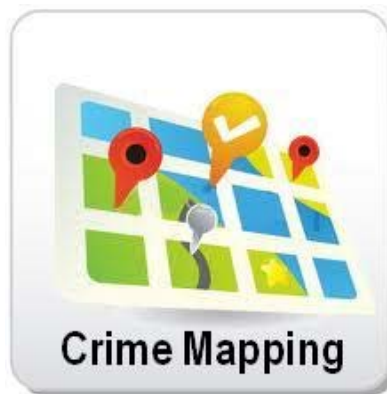

## Grant Submitted to Add Crime Mapping to TnCrimeOnline

### Special points of interest:

- Grant submitted to add crime mapping to the TnCrimeOnline tool
- East TN TIBRS Training classes change location
- 2012 Publication Schedule updated

In our continued effort to provide all Tennessee agencies with useful resources for accessing and utilizing TIBRS crime data, the Crime Statistics Unit has submitted a grant that would allow for the addition of crime mapping via the TnCrimeOnline website.

The TnCrimeOnline re-

source is currently available to all TIBRS submitting agencies. It is our hope that the crime mapping feature would enhance the usefulness of the Crime Online website by allowing agencies to identify physical locations of documented crimes within their jurisdiction. The CSU will inform agencies of future developments as they occur.

## Training TIPS!

### Group B Arrests: Taken Into Custody (Warrants)

All agencies reporting arrests for warrants served should be sure to report the arrest as Taken Into Custody to TIBRS **after** the warrant has been served. Group B Arrest information should not be entered into TIBRS at the time the warrant is issued; only report the arrest upon successfully serving the warrant.
