

Crime in TN – 6 Month Data Review

Every law enforcement agency should have received their Crime in Tennessee data in the mail by the end of July. Some agencies may have notations on the review page. **Please review your agency's data and correct any issues that are noted, as well as verify that all data has been submitted January 1, 2015– June 30, 2015.** Remember that the data verification page must be signed by the Chief/Sheriff/Director at your agency and sent in to the CJIS Support Center via mail or fax. (Please note that the fax number has changed to 615-744-4555.)

Some agencies may have received additional pages regarding LEOKA or bias motivated incidents that were reported.

Please review your agency's LEOKA data and fix any issues that are marked on the page. If there have been incidents reported as bias motivated or with a bias motivation of unknown, data pages have been sent out regarding this as well. **Please review ALL pages, verify that the data is correct and fix any issues.**

Remember – it is YOUR data and your responsibility to ensure its accuracy and completeness.

More Conference Information

It is no secret that most conference attendees enjoy the chance at being able to win a door prize during the drawings held during the conference luncheon. In order to pull off this feat, we depend on donations from agencies, TBI, the TIBRS User Group and the kindness of individuals who procure gifts for door prizes in addition to their regular duties. In the past, we have had wonderful items donated by individual agencies such as gift baskets containing patches (law enforcement people love these), hats, shirts, etc.

If you have something to donate, please email Lisa King at Lisa.King@tn.gov or call 615-744-4030. All gifts are very much appreciated.
