

RFP QUESTION REQUEST FORM QR-RFP-3

PROJECT: Region 4 Bridge Bundle - Carroll, Fayette, Haywood, Lauderdale, and Madison Counties - Tennessee

DB CONTRACT No.: DB1901

DATE: 1/29/2020

	RFP Book No. and Section ID	Question	Reserved for Agency Response
QR3-1	Book 1 Section E.1.a.1 Technical Proposal	Please clarify if the 75 page limit of the Technical Proposal includes pages for the CPM Schedule (to be included in the Proposal per RC III: Schedule Management) and the Conceptual Plans (to be included per RC IV: Technical Solution).	Proposal responses to Response Categories II through IV shall be limited to the combined maximum total of 75 page count (not pages). The CPM Schedule shall be included as required according to Response Category III and the Conceptual Plans shall be included as required according to Response Category IV.
QR3-2	Book 1 Section 2.2.3	Section 2.2.3 of Book 1 states that the DB shall complete the work in each County within two hundred Calendar Days after the construction start date in each County. Our understanding is that the “construction start date” is the start of bridge construction and does not include time or traffic impacts associated with utility relocation work – please confirm if this understanding is correct.	“Construction Start Date” will be the date of the first Construction Notice to Proceed for work in each County.
