**INSTRUCTIONAL BULLETIN No. 05-18**

**Regarding the "Record-A-Comment" Sign**

Effective immediately, the "**Record-A-Comment**" sign shall be used on all interstate and freeway projects with a current ADT of 30,000 vehicles/day or greater. Signs should be located, in each direction, approximately 1000 feet beyond the "End of Road Work" sign. The signs will be paid for under item 712-06, Signs Construction, S.F. (712M06, Signs Construction, m<sup>2</sup>).

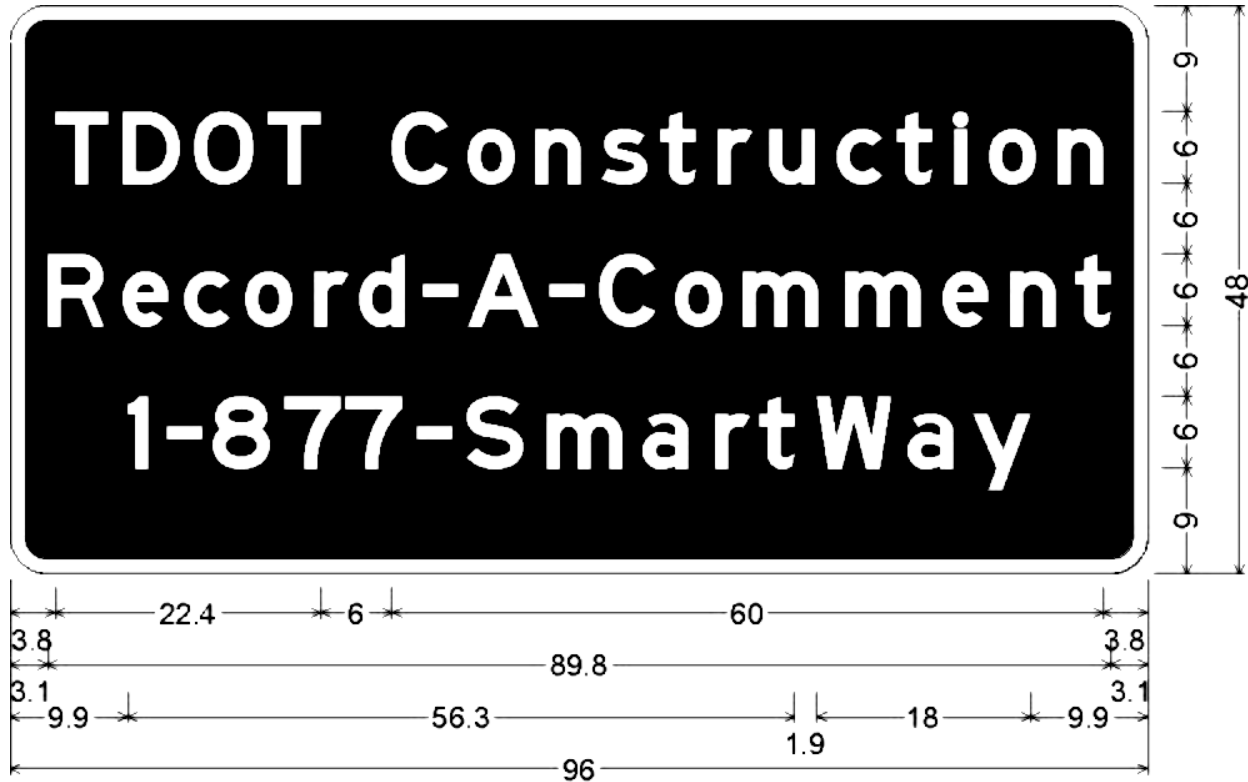

The "Record-A-Comment" sign should be footnoted in the tabulated block as follows: 96"X48" (Blue Background with White Copy) 0.100" sheet aluminum.

The sign is proposed be included in the Tennessee Supplement to the MUTCD as TN-55a at a future date. Until such time, the attached detail should be shown in the Traffic Control Plan.
