INSTRUCTIONAL BULLETIN No. 06-02

Regarding Standard Specifications Book and Special Note on Title Sheets

Effective immediately, any reference to the March 1, 1995 edition of the Standard Specifications for Road and Bridge Construction found in the plans shall be modified to reflect the March 1, 2006 edition. The special note in the lower left hand corner of all title sheets regarding the standard specifications shall be modified as follows:

This project to be constructed under the Standard Specifications of the Tennessee Department of Transportation dated March 1, 2006 and additional specifications and special provisions contained in the plans and in the proposal contract.

It will not be necessary to revise plans previously submitted for the March 17, 2006 letting or previously submitted for right-of-way acquisition or utilities only unless the title sheet is being revised for another reason.
