INSTRUCTIONAL BULLETIN 06-06

Regarding English and Metric Pay Items

Item numbers, item descriptions, and units of measurement which are to be used with the March 1, 2006 Standard Specifications for Road and Bridge Construction Book are available at the following we site.

http://www.tdot.state.tn.us/RoadItemLists/roaditem_index.htm

The list is updated daily by the Construction Division. A list of the item numbers and descriptions is not printed in the Design Guidelines or Instructional Bulletins.

If an item number is needed, the Civil Engineering Manager 1 or Transportation Manager 1 should contact the Contract Specifications Office, Suite 700, James K. Polk Building, Nashville, Tennessee 37243 to determine if an item number will be assigned or included in another item.

This bulletin voids Instructional Bulletin 04-02.
