INSTRUCTIONAL BULLETIN NO. 09-04

Regarding Special EPSC Notes in ROW Plans

Effective immediately, add section 3-305.08, Special EPSC Notes to the Design Guidelines.

3-305.08 SPECIAL EPSC NOTES

Special Erosion Prevention and Sediment Control (EPSC) Notes found in Section 6-290.00 shall be added to the first sheet of the EPSC Plans. Placement of these notes shall follow the guidance indicated in Section 6-209.00 to determine if a particular note is required.

As needed the designer should add any additional Special EPSC Notes which provide project specific information on requirements for the proposed EPSC measures, as well as specific steps the contractor is to take in the execution of the EPSC plan. These notes should also be added to the first sheet of the EPSC Plans.

Any additional Special EPSC Notes provided by the Environmental Division shall be shown on the first sheet of the EPSC Plans
