PROCEDURES

The Tennessee Department of Transportation will use the National Transportation Product Evaluation Program's (NTPEP) National Audit Program (NAP) in its approval process. Manufacturers will be required to submit to the NTPEP PPP audit program annually.

Inclusion on the Producer List is based on certification that the manufacturer meets the above specifications, and a review of the final audit report along with corrective actions and conformance testing will be considered in the evaluation.

All submittals must be submitted to Headquarters Materials and Tests Division at the contact listed below.
