Bid Addendum #2

Issued 8/16/2024

### **Item 1 Plan/Bid Quantity Revisions**

#### **Item #1**

There is a discrepancy on the plans on a demo item.

Item 202-01.13 Removal of pipe (12", 00+45) 27 LF. This is not called out on the plans to be removed (sheet C2-01), and on the later proposed drawings (sheet C3-01), there is a note stating that this existing 12" culvert is to be upgraded in a separate project.

Please advise if we are to remove the pipe per the quantities tab or to leave it in place per the existing and proposed plans.

- *Item 202-01.13 can be ignored/redacted. The item will no longer be part of this project and was incorrectly left on the plans from before the redesign and rebid process.*
