Broadway Viaduct Replacement

On-Time and On Budget

The bridge is on schedule to reopen Sept. 8. However, if weather cooperates **it could reopen as early as tomorrow, Sept. 7.**

Once reopened, work will continue on and beneath the bridge where crews will finish the fencing, railing, and lighting among other items. That work will require intermittent daytime closures of 11th Avenue from Porter Street to McGavock Street from 9 a.m. to 3 p.m.
NOTE: We will work diligently to announce those closures ahead of time.
