Policy Title: Conflict of Interest Disclosure Policy for Commission Members

Policy Number: O5.1

Conflict of Interest Disclosure Policy for Commission Members

- 5.1.10
- (1) It shall be inappropriate for a Commission member to have a direct interest in any contract the Commission has entered into for goods or services as a result of a bid process or any other business transaction with the Commission.
 - (2) A Commission member shall disclose any of the following interests:
 - (a) Any indirect interest in any contract or other business transaction with the Commission;
 - (b) Any interest in any contract or other business transaction with any higher education institution which is coordinated by, contracted by, contracted with, or authorized by the Commission; and
 - (c) Any indirect interest created by a relative who has (to the extent the Commission member is aware) any contract or business transaction with the Commission or with any higher education institution which is coordinated by, contracted by, contracted with, or authorized by the Commission.
 - (3) “Direct interest” means any contract to provide goods or services to the Commission as a result of a bid process or any other business transaction with a:
 - (a) the Commission member;
 - (b) a relative of the Commission member; or
 - (c) a business in which the Commission member or the Commission member’s relative is:
 - (i) the sole proprietor;
 - (ii) a partner; or
 - (iii) the person having the controlling ownership or control of the largest numbers of outstanding shares owned by any single individual or corporation.
 - (4) “Indirect interest” means any contract in which the Commission member is interested but not directly so, but includes contracts where the Commission member is directly interested but is the sole supplier of goods or services.
 - (5) “Relative” includes spouse, parents, siblings, or children.
 - (6) In the event a member of the Commission has an indirect interest in a matter to be voted upon, a Commission member may abstain for cause by announcing such to the Chair of the Commission. Any Commission member who abstains from voting for cause on any issue coming to a

vote before the Commission shall not be counted for the purpose of determining a majority vote. This provision shall not be construed to prohibit any Commission member from voting on the higher education funding recommendation, or amendments thereto, unless the vote is on a specific amendment to the funding recommendation in which such person has a direct interest.

- (7) The basic underlying principle in conflict of interest is that Commission members should disclose any activity, investment, or interest that might reflect unfavorably upon the Commission, using the disclosure form. Because of the sensitive nature of the Commission's relationship with all of the postsecondary institutions, as well as the General Assembly, it is important that members resolve questions of conflict of interest by disclosure. Any activity which might constitute, or be perceived to constitute, a prohibited conflict should be fully reported. Full disclosure of any situation in doubt should be made.
- (8) The conflict of interest form must be filed within thirty (30) days after the Commission's regular Spring meeting, but in no case shall it be filed later than June 1. In the case of a member appointed to the Commission after the Spring meeting, the newly appointed member shall file a conflict of interest statement no later than thirty (30) days after the first Commission meeting following his/her appointment.
- (9) A Commission member shall amend his/her disclosure because of termination or acquisition of interests of which disclosure is required.
