Greetings Charter Commissioners,

I am writing a letter in support of Promise Academy Spring Hill. The dedication and commitment of school leadership to engage high quality, rigorous instruction is demonstrated through their continuous improvement efforts. The children of Spring Hill are at the center of every decision and their well bring is always a priority.

It is my hope that the charter for Promise Academy Spring Hill will be renewed so that they can continue to move the needle towards excellence!

Thank you,

Dr. Teresa Leary Handy
