In accordance with Tennessee Code Annotated (T.C.A.) § [49-13-110\(d\)](#), the governing body of a charter school may petition its authorizer to amend its charter agreement. Timelines for approval and the appeals process are defined by Charter Commission rule [1185-01-01-.04](#).

Below are the steps that a charter school shall follow to complete and submit an application to amend a charter agreement:

1. **All applicants must complete Part I, General Information**, including:
 - a. Selecting the amendment petition category, as indicated in the submitted Letter of Intent;
 - b. Providing the requested School Background information;
 - c. Providing the Background Statements and related attachments for each amendment that is requested; and
 - d. Signing of the completed application by both the Contact Person and Board Chair.
2. **In Part II, Specific Amendment Requests, applicants shall ONLY complete the Subpart that applies to the category of amendment the school is seeking.** The Subparts contain more specific questions relevant to the identified category. If a school is seeking multiple amendments, the school shall complete the applicable Subpart for each requested amendment category. A school should include any attachments requested by the applicable Subpart.
3. An application for a single amendment, including Parts I and II, must not exceed 15 single-spaced pages, with one-inch margins and 12-point font, excluding attachments. The maximum page limit increases by 5 pages for each additional amendment sought by the applicant. For example, if a school is applying for 2 amendments, the maximum page limit (excluding attachments) is 20 pages.
4. The completed application form and all attachments shall be submitted in PDF form to the school's authorizer and the Tennessee Department of Education, Division of Choice, at Charter.Schools@tn.gov.
5. Failure to submit a complete application to the authorizer, including attachments, by the deadlines listed below will result in the amendment application not being reviewed by the authorizer.

Deadlines:

If the Letter of Intent was submitted by **September 1**, the application is due by **October 1**.

If the Letter of Intent was submitted by **January 15**, the application is due by **February 14**.

If the due date falls on a Saturday, Sunday or state-observed holiday, the due date shall be the next business day.

Emergency Amendment Applications:

A charter school may submit an emergency amendment application at any time if good cause exists for an amendment due to unanticipated extraordinary circumstances. In addition to the category of amendment, the school should check "EMERGENCY Petition" at the bottom of the first page of Part I and briefly describe the circumstances constituting the emergency. The Background Statements shall include detailed written findings explaining the unanticipated extraordinary circumstances giving rise to the emergency amendment application.

Timeline for Review:

The authorizer must rule on an amendment application within 60 days of its due date, or within 60 days of the date of submission of an emergency application. If the authorizer fails to do so, the school's amendment application shall be deemed approved. If the school's application is denied, the school may appeal the decision to the Charter Commission. See the Charter Commission rule [1185-01-01-.04](#) for more details regarding the appeals process for more details regarding the appeals process.

Ratings and Criteria

Charter Commission rule [1185-01-01-.04](#) requires the Tennessee Department of Education to develop a scoring rubric for use in evaluating petition applications to amend charter agreements. Evaluators will use the following criteria to rate each amendment for which an application is received:

Rating	Criteria
Meets or Exceeds the Standard	The response thoroughly addresses key issues. The proposed amendment clearly aligns with the mission and goals of the school. The response includes specific, evidence-based information that shows thorough preparation and viability of the plan.
Does Not Meet Standard	The response is substantially incomplete; demonstrates lack of preparation; is unsuited to the mission and goals of the school; or otherwise raises significant concerns about the viability of the plan or the applicant's ability to implement it.

Recommendations for approval or denial of each amendment requested in an amendment application will be based on the materials submitted as well as the authorizer's independent due diligence.
