T.C.A. § 49-3-316	Local Fiscal Accounting	KIPP Nashville Board approves budget through annual process	While KACPE will ensure that public monies will be used properly, that all non-waived regulations will be met and that all operations will stand up to a financial audit, it is critical to the KACPE program that management systems reflect KACPE's purpose and philosophy.	7/13/2021	Approved for entire charter term

T.C.A. § 49-3-311	Capital Outlay	KIPP Nashville Board approves all facility contracts and leases	Preparing a charter school facility will pose a great challenge. Because charter schools must finance their own buildings and do not have the power to raise taxes to fund capital outlay, it is critical that KACPE gain freedom from non-health and safety standards for the school site and have control of the facility vested in the KIPP Nashville board, rather than the city board of education. Having this freedom will allow us to use the school site resources most efficiently and effectively and align building choices with the KACPE mission and goals.	7/13/2021	Approved for entire charter term	
T.C.A. § 49-3-359(a)	Instructional Materials/Supplies	KIPP Nashville standardizes all student and classroom supplies and additionally supplies all classroom materials for students including notebooks, binders, pencils etc. At each of our schools, we have a Director of Operations who oversees and centralizes all school procurement for classroom supplies, furniture and all other needs. The budget is robust and sufficiently meets the needs of our classrooms. Additionally, teachers have the ability to request supplies which again are ordered and managed centrally through the DOO which cuts down on reimbursements and the need for teachers to utilize their own money up front. State Statute/Rule/ Policy	Description of Statute/Rule/Policy	Replacement Policy/Practice	How will waiver of this statute/rule/policy help student achievement?	Date of Approval	Length of approved waiver	Conditions on Waiver
SBE Rule 0520-01-02-.31(4)	Maximum Class Size	KACPE staffs each classroom with 2 teachers and 30 students - typically, both teachers are fully certified by TN requirements by the 1st day of school. Occasionally, the 2nd teacher in the class is finishing coursework to complete their licensure through the first semester of the school year. KACPE requests this waiver to accomodate staff members finishing their licensure requirements during the school year. At all times, at least 1 teacher in the classroom will have completed their TN licensure.	KACPE believes in the increased success of students through a stronger student:teacher ratio in each class.	7/13/2021	Approved for entire charter term	1) The maximum class size does not exceed thirty (30) students per licensed instructor; and 2) Pursuant to T.C.A. § 49-13-111, a charter school may not waive teacher licensure requirements.
T.C.A. § 49-6-303 (a)(1) State Board policy 5.103 – School Counseling Model and Standards State Board policy 5.502 – Educator Licensure, Section (5)(d) State Board rule 0520-02-03.05(5)	School Counseling	KACPE will have the flexibility to hire a qualified applicant who is a licensed school counselor, licensed school social worker, or a licensed professional counselor with school experience.	KACPE student population requires a counselor with the credentials to support students in need of counseling related with home, environmental, societal, and cultural issues. Current statute, rule and policy limits the school to hiring only a licensed school counselor, which does not allow the counselor sufficient training to successfully support the intensity of issues within their largely immigrant student population.	7/13/2021	Approved for entire charter term	KACPE shall fill the counseling role with any of the following credentialed applicants: a.) a licensed school counselor; b.) a licensed school social worker; and/or c.) a licensed professional counselor with demonstrated school experience.
