REVERSE TRANSFER

Thinking of transferring
to a four-year
institution?

Reverse Transfer is a process that allows transfer students who are currently attending a four-year school to combine *community college credits* with *four-year college credits* to receive an *associate degree*.

To learn more, visit

www.tnreversetransfer.org

Questions? Visit your Advisor or Registrar's Office at your community college or four-year institution. Email rtsask@utk.edu to contact Reverse Transfer statewide administrators.

CREDIT *when it's* DUE
