- Online at www.quotahunt.gooutdoorstennessee.com
- Via the TWRA mobile app
- At one of the TWRA Regional Offices
- At any TWRA License Agent

No applications will be accepted by mail.

Application Information

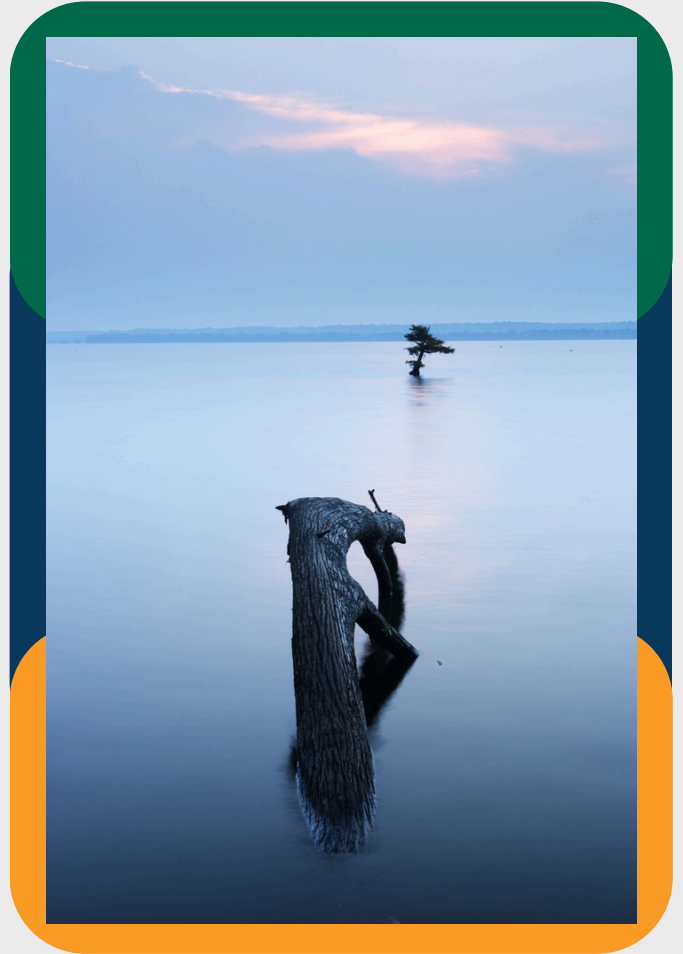

- The application period opens on **June 26, 2024**. The deadline is at **11:59 p.m. CDT, on July 17, 2024**.
- Applicants **must have the appropriate, valid resident hunting licenses** to submit an application, with the exceptions of the migratory bird permit and the federal duck stamp.
- **Only current residents, Lifetime Sportsman License holders, and native Tennesseans** (with an approved application) **may apply**.
- Applicants must be **16 or older** at the time of the hunt to apply.
- Applicants may select **up to 48 hunt choices** and rank them in order of preference.
- Applicants should review their application prior to submission and verify all information (name, hunt choices, etc.) upon completion to confirm accuracy.
- Ensure that you have a **valid, accurate email address** on your www.gooutdoorstennessee.com account. A receipt, which serves as proof of application and hunt choices, will be sent to the email address on the applicant's account.
- **Only parties with 4-8 members**, at the deadline, **will be accepted** into the drawing.
- Once your application is complete, you may review your application (including party members) by logging into www.quotahunt.gooutdoorstennessee.com. Applications may be edited until the deadline.
- **No applications will be accepted or edited after the deadline.**
- No person may apply more than once. Any person violating this rule and regulation is subject to having their permit and/or hunting privileges revoked and may be subject to prosecution.
- **Permits are not transferable.**

2024 Season Long Waterfowl

Party Applications

- Applicants may create or join a party. **Parties must have 4-8 members** to be considered in the drawing.
- A party must be established by an applicant that acts as the party leader. The party leader selects the hunt choices for the party.
- A party number will be assigned to the party leader once their application has been submitted. The party number can be found on the party leader's receipt or on their www.gooutdoorstennessee.com profile.
- The leader shares the party number with the members wishing to join the party. The party members will select "join a party" on their application and put the leader's party number onto their application. The party number is what links applications together.

Drawing Information

TWRA's drawing program assigns each application a unique random number. Once the drawing begins, the lowest random number is selected first for review, then each subsequent number is selected for review. When an application is selected for review, the first hunt choice is compared to the remaining quota for that hunt; if there is quota available, the application is awarded that hunt choice. If not, the program examines each subsequent hunt choice, in the order selected on the application, until it finds a hunt choice with quota available or runs out of hunt choices. If no quota is available for any hunt choices on the application, then the application is unsuccessful. If one member of a party is drawn for a hunt, then the entire party is drawn.

There are no priority points associated with this quota hunt. **Successful applicants must claim their permit by August 7, 2024.** If there are any leftover permits after the application deadline, there will be a **leftover drawing** on **August 22, 2024.**
