

Digital Opportunity Listening Session

When: Tuesday, May 9th - 12:00PM - 2:00PM

Where: Jefferson Street Missionary Baptist Church
2708 Jefferson Street, Nashville, TN

Why should I attend?

Input from Listening Sessions will shape how the state invests millions of dollars into our communities. The State's Digital Opportunity Plan will work alongside coming investments in broadband infrastructure to close the digital divide in Tennessee. Please come ready to discuss community challenges and needs concerning broadband and accessing online resources.
